

Pure inspiration and sustainable design redefines modern luxury kitchens in Miami.

Häcker Kitchens to Debut North American Flagship Showroom in Miami, FL

(Miami, F.L.) October 2023.

Häcker Kitchens, the leading German manufacturer of modern kitchen cabinetry, will unveil its inaugural North American showroom in Miami, FL on November 9th, 2023. The 3,600square foot space marks a significant milestone for the brand as it expands its presence outside of European markets, for the first time.

With a rich family legacy that spans 125 years, Häcker Kitchens has garnered a reputation for its commitment to quality,

sustainability, production standards and technology. The establishment of this new headquarters, strategically located adjacent to Miami's ultra-opulent Design District, will serve as the nexus to furnish North American-based projects, with German craftsmanship and innovation.

"Häcker Kitchens is expanding at an accelerated rate, and we are honored to bring the future of German design to North America" notes Andreas Gommeringer, President Häcker Kitchens North America. "Our passion for the art of kitchen cabinetry is at the heart of everything we do and we are ecstatic to introduce this side of the world to the timeless beauty, innovative design and cutting-edge customization tendered by Häcker Kitchens, through this new showroom."

The flagship showroom features five inspirational room designs where trade professionals and homeowners can experience Häcker Kitchens' exquisite living environments that include the following door styles: AV 6023-GL elegant oak, AV6000-GL black and eucalyptus, AV 6082 elegant walnut, AV 4030 crystal white, AV 6055-GL light grey and velvet blue, AV 1097 natural vintage oak and AV 1080 crystal white. At the heart of the space sits a live vignette that demonstrates the full range of lifestyle-enhancing functions achieved by the brand's products and accessories including the door styles AV 6082-GL walnut and AV 7030-GL black star, oneLINE cabinets with Tipmatic soft close drawer bases, illuminated channel handles, SLD Glass drawers,

MOVE organizational insert, and integrated appliances by Gaggenau.

To demonstrate the fortitude of Häcker Kitchens' capabilities, the showroom offers a full-service design center where clients can make an appointment with a showroom consultant as well as explore delivery and installation options. This unique experience invites designers and homeowners to browse Häcker Kitchens' sample area, equipped with the brand's diverse product range from cabinet fronts and colors to channel handles, surface materials, organizational accessories, integrated technologies and more, to curate a tailor-made luxury kitchen.

The Miami showroom installation will be finalized in November 2023. The grand opening will take place on November 9th, 2023 at 5:30 pm EST. If you are interested in attending and would like to enjoy the space first-hand, please RSVP to Catherine Hoy at choy@frankadvertisingus.com.

Häcker Kitchens – The Company
